No, not really.

I would just mention that we're continuing to try and find the best ways to coordinate among offices and that there has been some recent activity at Region 3 (Dimock) and 8 (Pavillion) sites.

I know Ann Stephanos is in the loop generally, but the WCED meeting just provides an additional opportunity to touch base.

Thank you!

Also, are there any particular issues you want me to raise?

Subject: WCED Meeting

Hi Rebekah and Melissa:

There is an OSRE / OCE - WCED coordination meeting at 9 am tomorrow (Room 4140). Normally I go b/c NESCA is a standing agenda item.

As you may remember, we have decided to add hydrofracking as a standing agenda item as well. WCED likes to stay in the loop from the RCRA perspective.

Unfortunately, I will be out of the office tomorrow to attend a family friend's funeral. Would one of you be able to attend the meeting?

Thanks,

Anne
